

BRAKE UPGRADES MADE EASY

POWERSTOP, LLC LIMITED WARRANTY

POWERSTOP ROTORS AND PADS ARE FOR STREET AND RECREATIONAL OFF-ROAD USE ONLY. THEY ARE NOT DESIGNED OR APPROVED FOR OFF-ROAD RACING OR COMPETITIVE DRIVING. FAILURE OF COMPONENTS USED FOR ANY TYPE OF RACING IS NOT COVERED UNDER WARRANTY.

POWERSTOP PERFORMANCE BRAKE KITS WITH AND WITHOUT CALIPERS (KIT, K26, K36, MDK, ESK, KCL, C26, C36, MDC), PURCHASED AND INSTALLED AS A KIT:

If a customer is not satisfied with the quality and performance of a kit for any reason within 60 days of the invoice date or the installation date by a professional technician (an invoice from the installation shop is required), and the required break-in procedure was implemented, Power Stop LLC will provide a one-time exchange of the kit for a new one. This no-questions-asked, 60 day warranty must be facilitated by the authorized PowerStop retailer.

Power Stop LLC warrants this product to be free from defects and poor workmanship for 3 years from the purchase date or 36,000 miles of use, whichever occurs first. The product, when properly installed on the type of vehicle prescribed, and in which a defect in workmanship and material is found, will be exchanged free of charge if returned to the seller who is authorized to give this warranty. Power Stop LLC is not responsible for its products when they are subjected to misuse, abuse, improper application, improper installation, or accident. This warranty includes rotor cracking. Normal wear is not covered by this warranty. Failure of components due to using non-approved DOT 5 Silicone brake fluid is not covered by this warranty. This warranty also excludes stripped bleeder and banjo bolt holes caused by over-tightening. The 3-year/36,000-mile warranty excludes failure of components due to disc thickness variation (DTV*), usually indicated by brake pulsation.

POWERSTOP TRACK DAY, TRACK DAY SPEC, TRACK DAY KITS AND TRACK DAY SPEC KITS (TDK, TDSK, PST, PSA):

Power Stop LLC warrants its Track Day and Track Day Spec kits and pads to be free from defects in materials or workmanship for 30 days from the purchase date. The product, when properly installed in the type of vehicle prescribed, and in which a material or workmanship defect is found, will be exchanged free of charge if returned to the seller who is authorized to service this warranty. Power Stop LLC is not responsible for its products when they are subjected to misuse, abuse, improper application, improper installation, or accident. Power Stop LLC does not reimburse labor charges associated with the installation of its products. This 30-day warranty excludes failure of components due to disc thickness variation (DTV*), usually indicated by brake pulsation. Normal wear is not covered by this warranty.

POWERSTOP REPLACEMENT BRAKE KITS (KOE, KCOE, CRK), PURCHASED AND INSTALLED AS A KIT:

If a customer is not satisfied with the quality and performance of a kit for any reason within 60 days of the invoice date or the installation date by a professional technician (an invoice from the installation shop is required), and the required break-in procedure was implemented. Power Stop LLC will provide a one-time exchange of the kit for a new one. This no-questions-asked, 60 day warranty must be facilitated by the authorized PowerStop retailer.

Power Stop LLC warrants this product to be free from defects and poor workmanship for 2 years from the purchase date or 24,000 miles of use, whichever occurs first. The product, when properly installed in the type of vehicle prescribed, and in which a material or workmanship is found, will be exchanged free of charge if returned to the seller who is authorized to service this warranty. Power Stop LLC is not responsible for its products when they are subjected to misuse, abuse, improper application, improper installation, or accident. This warranty includes rotor cracking. Normal wear is not covered by this warranty. Failure of components due to using non-approved DOT 5 Silicone brake fluid is not covered by this warranty. This warranty also excludes stripped bleeder and banjo bolt holes caused by over-tightening. The 2-year/24,000-mile warranty excludes failure of components due to disc thickness variation (DTV*), usually indicated by brake pulsation.

POWERSTOP ROTORS, PADS, CALIPERS PURCHASED SEPARATELY:

Power Stop LLC warrants its rotors and pads (excluding Track Day and Track Day Spec pads) to be free from defects in materials or workmanship for 90 days from the purchase date or 3,000 miles of use, whichever occurs first. The product, when properly installed in the type of vehicle prescribed, and in which a material or workmanship defect is found, will be exchanged free of charge if returned to the seller who is authorized to service this warranty. Power Stop LLC is not responsible for its products when they are subjected to misuse, abuse, improper application, improper installation, or accident. This 90-day/3,000-mile warranty excludes failure of components due to disc thickness variation (DTV*), usually indicated by brake pulsation. Normal wear is not covered by this warranty.

NO PERSON IS AUTHORIZED BY POWERSTOP TO MODIFY OR ADD TO THE FOREGOING WARRANTY.

*The primary cause of DTV, or "warped brake rotors," stems from using an improper break-in procedure or executing long stops from high speeds without properly releasing the brake pedal after coming to a stop.
